

2nd Friday of most months | 7:00-9:30pm

Upcoming dates: 10/9, 11/13, 12/11, 1/8, 2/12, 3/12, 4/23

getREAL is Knox's monthly women's night out. Last year women called getREAL a "warm, refreshing end to a busy week". We gather for music led by Deb Mantel and a personal story of what God has done in someone's life. This year's theme is "Being Called". Afterwards, there is plenty of time to connect with others in the getREAL coffee house.

Bring a friend. Make a friend. Be a friend.

Prison Fellowship

The Huron Valley Men's Facility, where Knox has been hosting a worship service for the past 15 years, has now changed over to be a women's facility. Knox's ministry through music, scripture reading, sermon/skit, and prayer will continue on a monthly basis. Due to the enthusiastic response of the women there, we are looking to expand our prison ministry team. Please prayerfully consider joining in reaching the many women who are earnestly seeking God. The process includes submitting government clearance forms starting January 2010.

### Women in Theology Study

Begins Sept. 15 | 9 am | Knox

Resuming, this fall, join us as we read Wayne Grudem's text, Systematic Theology together. There is no admission fee. The only requirement is that you have to have some minimal conviction that Pastor Bob might know what he's talking about as he leads our discussion each week. So, go to Amazon.com, order a copy of Grudem's book (it's much cheaper there), and join us for some rousing, rollicking discussion of theology each week. If you think doctrine is dull, clearly you've never talked about it with women from Knox.
